Questions for Discussion: *Strange Case of Dr. Jekyll and Mr. Hyde*

Prepare for the discussion by finding 1 - 2 pieces of textual support to answer each of the following questions. Include a brief (about a sentence) answer. Also, explain how your textual support answers the question in several complete sentences.

Why does Dr. Jekyll desire to become Mr. Hyde?

Your basic answer: _____

- Text: What is the page number? _____
- Mark the section in your text.
- Explanation (How does your textual evidence answer the question?):

- Text: What is the page number? _____
- Mark the section in your text.
- Explanation (How does your textual evidence answer the question?):

How do Dr. Jekyll and Mr. Hyde perceive each other?

Your basic answer: _____

- Text: What is the page number? _____
- Mark the section in your text.
- Explanation (How does your textual evidence answer the question?):

- Text: What is the page number? _____
- Mark the section in your text.
- Explanation (How does your textual evidence answer the question?):

Why does Dr. Jekyll involuntarily turn into Mr. Hyde?

Your basic answer: _____

- Text: What is the page number? _____
- Mark the section in your text.
- Explanation (How does your textual evidence answer the question?):

- Text: What is the page number? _____
- Mark the section in your text.
- Explanation (How does your textual evidence answer the question?):

If Jekyll had not killed himself and had gone to trial for Hyde’s misdeeds would you find him guilty? Why or why not?

Your basic answer: _____

- Text: What is the page number? _____
- Mark the section in your text.
- Explanation (How does your textual evidence answer the question?):

- Text: What is the page number? _____
- Mark the section in your text.
- Explanation (How does your textual evidence answer the question?):
